

Our strengths

EVb Training, as a provider of continuing education in adult education, maintains excellent partnerships with numerous driving schools and other educational institutions throughout Germany.

We accompany and support you every step of the way with EVb. In addition to German, we are happy to advise you in various languages such as English, Russian, Ukrainian, Arabic, Persian, Dari, Turkish, and others.

How does the teaching work at EVb-Training?

If needed, we are happy to provide our participants with a tablet for use in class. Our teaching methods are state-of-the-art, and we offer high-quality instruction in a virtual classroom.

In our virtual classroom, you have the opportunity to see and hear the instructor live and interact directly with them – much like in a traditional lecture. Our dedicated teaching staff is always available to answer your questions and support you on your learning journey.

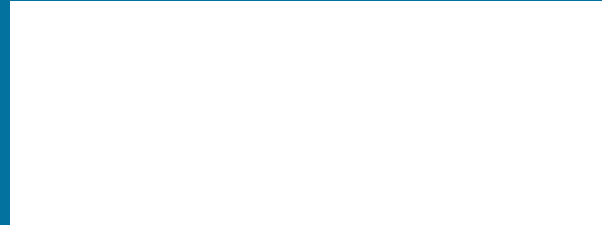

We not only focus on theoretical learning but also prepare you specifically for certifications and the professional world.

Your success is important to us.

We're happy to advise you!

TRAINING
einfach viel besser

Duration

Full-time: 8 weeks

Overview

This course prepares you specifically for the aptitude assessment and subsequent qualification as a professional driver in freight or passenger transport.

Target Group

The course is aimed at individuals who aspire to a career as a truck or bus driver and wish to assess their personal and professional suitability for this recession-proof profession.

Requirements

- Minimum age according to legal regulations.
- A valid Class B driver's license.
- Basic German language skills for the specialized language preparation.

Career Prospects

Graduates possess the linguistic and technical foundation to successfully complete the subsequent training required by the Professional Driver Qualification Act. Having already passed the aptitude test, they have cleared the most important formal hurdles for obtaining a driver's license. This guarantees a quick and sustainable entry into the job market as a qualified professional in truck or bus transport.
